Mr. Uchita de Zoysa (uchita@sltnet.lk)

Description of the Event: Stakeholder forum together with the Climate Sustainability PLATFORM will launch the SD Governance Series thought piece on "**Sustainable Consumption and Production Governance: A Guide Towards Rio+20**" during the CSD19. This will be a consultation towards formulating a more comprehensive report. The author, Mr. Uchita de Zoysa, will lead present the reports content and the panel speakers and respondents will independently review the international SCP programmes and make proposals for SCP governance. The proposed event will cover the following areas as in the planned report; Historical Evolution of International Focus on Sustainable Consumption and Production, Defining Sustainable Consumption and Production, Diverse The Growing concerns of the UN Marrakech Process and the 10YFP, An Independent Analysis on the State of SCP Governance, Some Proposals Available to Improve, Recommendations to Strengthen SCP Governance, A Possible Rio+20 Outcome.
